COACHED CRICKET KNOWLEDGE LIBRARY

The CoachED Library is a holistic online portal filled with up to date and relevant information, drills, skills and coaching tools presented in an interactive format at your fingertips. These resources are presented in 11 modules which cover the full spectrum of cricket and coaching and are aimed at coaches, players and parents that wish to increase their understanding of the game or supplement their current knowledge with tuition from Gary Kirsten and his team of coaches and specialists.

It is designed to teach both amateurs and professionals, covering the basics of the game in detail as well as providing a window into the nuances of cricket from the highest level. The content is both theoretical and practical and is presented using engaging videos, images and text which are easy to use and promote deep learning.

The CoachED Library package provides access to a wealth of knowledge which will empower anyone seeking to enter into cricket coaching or to help individuals reach their potential in the cricketing realm.

WHAT THE COACHED LIBRARY COVERS

All the information within the CoachED Library is sourced from some of the best minds in cricket. Based on the deep learnings from Gary Kirsten's vast experience of cricket from playing and coaching around the world, he and his team of highly experienced coaches, specialists and cricketing professionals have compiled a comprehensive knowledge library that is relevant for all levels of coaches and cricketers. The knowledge library consists of 11 modules which each relate to specific aspects of the game and coaching.

The following 11 modules are available in the CoachED Library:

THIS COURSE IS FOR YOU IF YOU WANT TO

- Equip yourself with up-to-date coaching information that is relevant to the modern game.

- Work through any module, topic or section at any time making sure to understand and comprehend all online instructional material
- Enjoy a wide range of interactive content, including videos, animations, drills and free resources.
- Complete each section or module and share your knowledge badges to social media

WHO YOU'LL LEARN FROM

International cricket coach, Gary Kirsten and his experienced team of coaches and specialists have taken over 4 years to develop CoachED and the information within the Library. It contains all the latest cricket updates, information and coaching techniques. Gary's experience and insight gained throughout his tenure as coach of powerful test playing nations as well as T20 franchises around the world puts him at the forefront of the modern game. It is his skill for getting the best out of his players whilst maintaining their respect both on and off the field that has made him an inspirational leader.

WHY COACHED CRICKET?

Whilst coaching cricket around the world, Gary Kirsten and his coaching team found an increasing number of coaches wishing to upgrade their skills and toolkits of their trade without having a platform to achieve it.

Gary and the team set out to create a credible home for coaches to develop and learn their profession and achieve a deeperunderstanding of the game through accessible online material and courses which aims to teach coaches and those wanting to learn more about the basics and intricacies of cricket and coaching.

SERVICE

The CoachEd Library gives players, parents, academies, schools and coaches around the world accessibility to all the information they need through a fully responsive, online platform that is learner driven and easy to navigate.
